Le Fauchon

French
11:30-15:00, 18:00-23:00

F 14 | D 15 | S 11 | A 15 | P 450 | R | \$100

There are two camps of opinions, some love this quaint French restaurant, while others are "horrified" by the service and the "just standard" French cuisine at a "high price". Maybe the best solution is to go during lunch and for only \$100, you will have a "nice pleasant experience". "Reservation is recommended".

Le Goûter Bernardaud

French
M-F 08:00-20:00, Sa-Su & Ph 11:00-20:00

F 16 | D 15 | S 16 | A 16 | P 230 | R | \$0

The "colourful" "enticing" little macarons and cakes on display draw a steady stream of "ladies who lunch" here. The *chestnut tart* gets a constant "thumbs up", and the tartines all come served up on the famous *Poliane* bread! Luckily, service is very "accommodating" and "un-French"! *Merci beaucoup!*

Le Marron

French

It is like one is "dining in a local French family's home" due to the "cosy" settings and the "very affordable prices". Service "can be sloppy" but nonetheless "respectful" and "friendly". The *crab cakes* are "full of flavours" and the soups are "hearty". "Not to be missed" are the *baked bananas*, "heavenly". Definitely "a hidden gem"!

Le Parisien

French
11:30-15:00, 18:00-23:30

F 16 | D 17 | S 15 | A 18 | P 550 | R | T | \$100

This "centrally located" French restaurant has an "elegant ambiance" and "promising" French food, but many feel that "service can be haphazard" and that although the food is "well prepared", it does not "garner such high prices"! A signature dish that needs to be ordered ahead of time is the *blood duck*, but is it worth a try?

Le Petit Teca

French
12:00-22:00

F 17 | D 14 | S 16 | A 17 | P 300 | L | R | D/T | \$100

Located conveniently close to the Lee Gardens, Le Petit Teca is great for "tired shoppers" to pop in for their "\$145 set lunch", and serves up good food with the "right atmosphere". All in all, "comfort is key" here and the *soufflé* is definitely "worth a try"!

Le Tire Bouchon

French
12:00-14:30, 18:30-22:30

F 16 | D 16 | S 16 | A 16 | P 350 | R | T | \$300

Come for a "rustic" "relaxing" evening if you feel like "classic" French cuisine in a "non-uptight" surrounding, complete with a romantic "candle-lit" ambiance. Some lament that "the quality of food used to be better" but this place still "stays packed".

Lee Fa Yuen Korea House

梨花園

Korean
12:00-15:00, 18:00-22:30

F 16 | D 11 | S 14 | A 14 | P 170 | R | T | \$60

It would be a "shame" if you overlook this "inconspicuous" Korean in the Central / Sheung Wan neighbourhood where many of such restaurants reside. It might be tempting to go straight for the *Korean BBQ* but the "killer" dishes are the *cold noodles* which are "a lot tastier than they sound" and the *bibimbaps* which are "very well-seasoned".
